Autumn Show - 13th September

The club held their annual Autumn Show in the Reading Room on the Saturday and after the difficult growing conditions this year, we were pleasantly surprised at the large number of exhibits. The number of entries were back to pre-covid times and the exhibits presented were of a good standard and all participants should be proud of their efforts.

The winner of the Banksian Medal for the highest number of points in Horticultural classes in the Summer and Autumn shows was Jeff Jones and the winner of the Club Challenge Cup, for the highest number of points in the Show, was Kay Meldrum. The best exhibit was won by Kay Meldrum for her Dahlia.

The winners of the various classes were:
